Approval Process

Requests for Internship Course Request enrollment will route to the following for review and approval:

- The instructor listed on your Internship Course Request form
- Your school's Office of Academic Services

For international students on an F-1 or J-1 visa, the form also routes to the Office of International Student and Scholar Services.

Internship course enrollment requests will not be processed until all approvals have been finalized.

****Important note: Until your request has been approved and processed, you are not enrolled in the course.****

Requests Sent Back

At any point in the process, an approver may send the form back to you for updates (for example, if you entered the wrong number of credit hours). If a request is sent back to you, you will receive an automated email message from the workflow system. Click View Item to access the form and make any necessary changes.

Notifications

Notifications about the internship course request process will be sent as follows:

- You will receive email notification when you submit the request.
- You will receive email notification if your request is denied for any reason.
- You will receive email notification if your request is sent back to you for any reason.
- You and the course instructor will receive email notification if your request is approved, once the enrollment has been processed.
